OUR MISSION IS CLEAR

Chasin A Dream Foundation provides direct, individualized assistance to local families of children battling life-threatening illnesses and disabilities.

Our mission is to create a lasting impact by offering the critical resources and emotional support they need to face each day with courage.

Founder, Lori Griffith, previously worked in the healthcare industry for the past 18 years, giving her a first hand look at what these children and their families face on a day to day basis. Lori wanted to be able to make more of a direct impact by providing life-changing assistance year round so she dedicated herself to building Chasin A Dream Foundation, based on her belief in community and Locals Helping Locals®.
